Description

ABSA is excited to offer a Global Markets Graduate Internship program designed for talented and ambitious individuals who are passionate about pursuing a career in financial markets. This internship provides a unique opportunity to gain hands-on experience, mentorship, and exposure within the Global Markets division of ABSA.

Responsibilities

- Collaborate with experienced professionals in various Global Markets functions, including but not limited to trading, sales, structuring, and research.
- Assist in conducting market analysis, generating reports, and interpreting financial data to support decision-making processes.
- Participate in the development and implementation of trading strategies and solutions in line with market trends and client needs.
- Engage in research projects to deepen understanding of financial instruments, risk management, and market dynamics.
- Contribute innovative ideas and insights to enhance existing processes and improve overall efficiency within Global Markets.

Qualifications

- Recent graduate or final-year student pursuing a Bachelor's or Master's degree in Finance, Economics, Mathematics, or a related field.
- Strong analytical skills with the ability to interpret complex financial data.
- Passion for financial markets and a keen interest in learning about trading, sales, and market dynamics.
- Excellent communication and teamwork skills.
- Proactive attitude with the ability to thrive in a fast-paced and dynamic environment.
- Proficiency in Microsoft Office Suite; knowledge of programming languages or financial modeling tools is a plus.

Job Benefits

- Hands-on experience and exposure within a leading financial institution.
- Mentorship from industry experts and professionals within Global Markets.
- Networking opportunities to build connections within the financial sector.
- Competitive stipend or compensation package based on performance and location.

Contacts

Interested candidates should submit their resume, cover letter, and academic transcripts via the ABSA career portal. Shortlisted candidates will be contacted for further interviews and assessments.
