Dis-Chem: Dispensary Support Learnerships 2024 Apply Here

Description

Dis-Chem Pharmacies is offering an exciting opportunity for motivated and dedicated individuals to join our Dispensary Support Learnership program. This initiative is designed to equip learners with the necessary knowledge and practical experience required to excel in the pharmacy and healthcare sector. If you are passionate about healthcare and eager to learn and grow, this learnership could be the perfect opportunity for you.

Responsibilities

- **Assist with Prescription Processing:** Learn how to accurately and efficiently process prescription orders under the guidance of experienced professionals.
- **Customer Service:** Provide excellent customer service by answering queries, directing customers, and ensuring a positive shopping experience.
- **Stock Management:** Gain hands-on experience in managing pharmacy stock, including stock ordering and control.
- **Healthcare Advice:** Develop a solid understanding of over-the-counter medicines and healthcare products to assist customers with their needs.
- **Compliance:** Ensure compliance with relevant laws and regulations pertaining to pharmaceutical products.
- **Administrative Tasks:** Assist with various administrative tasks to support the smooth operation of the pharmacy.

Qualifications

- Matric/Grade 12 certificate.
- South African citizen.
- No previous work experience in the pharmaceutical sector.
- Strong communication skills.
- Excellent customer service orientation.
- Passion for the healthcare and pharmaceutical industry.
- Willingness to learn and adapt.
- High level of accuracy and attention to detail.

Job Benefits

- Practical hands-on experience in the pharmacy sector.
- Access to training and mentorship from experienced professionals.
- Opportunity for permanent employment based on performance.
- Competitive stipend during the learnership program.
