## Epiroc: Apprenticeship Programme 2024 / 2025 New Application

### Description

Epiroc presents an apprenticeship programme designed to develop aspiring individuals' skills and expertise in technical fields relevant to the mining and infrastructure sectors. This programme offers a unique opportunity for hands-on learning and professional growth.

### Responsibilities

- Engage in practical training and learning sessions under the guidance of skilled mentors.
- Learn and apply technical skills related to machinery maintenance, repairs, or other specialized areas.
- Gain exposure to various aspects of Epiroc's operations in the mining and infrastructure sectors.
- Follow safety protocols and adhere to company standards while performing assigned tasks.
- Participate in workshops and training sessions to enhance skills and knowledge.

### Qualifications

- Matric certificate or equivalent qualification.
- Interest in technical fields, particularly in the mining and infrastructure sectors.
- Strong willingness to learn and develop practical skills.
- Effective teamwork and communication abilities.
- Commitment to following safety guidelines and procedures.

### Job Benefits

- Comprehensive hands-on training in technical fields relevant to the industry.
- Mentorship and guidance from experienced professionals at Epiroc.
- Exposure to diverse aspects of the mining and infrastructure sectors.
- Potential for career advancement and growth within Epiroc.

### Contacts

To apply for the Epiroc Apprenticeship Programme, interested candidates meeting the requirements are encouraged to follow these steps:

1. **Prepare Your Application:** Create a comprehensive application package, including your updated resume/CV and a cover letter expressing your interest in the Apprenticeship Programme at Epiroc. Ensure that your application highlights relevant skills, experiences, and enthusiasm for the technical field.
2. **Online Application Submission:** Visit the Epiroc website's careers or job opportunities section. Look for the Apprenticeship Programme opening and follow the provided instructions to submit your application online.
