Gauteng Department of Agriculture Internship Programme 2025

Description

The Gauteng Department of Agriculture is offering an exciting **Internship Programme for 2025**, providing recent graduates with valuable hands-on experience in the agricultural sector. This programme is designed to equip interns with practical skills, industry knowledge, and career development opportunities within the department. Interns will gain exposure to various agricultural projects, research initiatives, and administrative functions while working alongside experienced professionals.

Responsibilities

As an intern at the Gauteng Department of Agriculture, your duties may include:

- ☑ Assisting with agricultural research and development projects
- ☑ Supporting food security initiatives and rural development programs
- ☑ Conducting environmental sustainability assessments
- ☑ Data collection, report writing, and administrative tasks
- ☑ Engaging with stakeholders, farmers, and community groups
- ☑ Participating in training and development workshops

Qualifications

To be eligible for the **Gauteng Department of Agriculture Internship Programme 2025**, applicants must have:

☑ **A National Diploma or Bachelor's Degree** in fields such as:

- Agriculture / Agricultural Science
- Environmental Science
- Animal Science
- Horticulture
- Agribusiness Management
- Food Technology
- Natural Resource Management
- ☑ A valid South African ID
- ☑ Must be between **18-35 years old**

Experience

No prior work experience is required, as this is an entry-level internship programme. Preference may be given to candidates with some voluntary or academic project experience in agriculture or environmental management.

Skills

Interns should possess the following skills: Strong analytical and problem-solving abilities. Excellent communication and teamwork skills. Basic computer literacy (Microsoft Office). Ability to work in rural and field environments. Time management and adaptability.
