Johannesburg Water: Finance and Social Science Internships 2024 New Application

Description

Johannesburg Water is offering exciting internship opportunities for individuals passionate about finance and social sciences. As an intern, you will have the chance to gain hands-on experience in a dynamic and challenging environment, contributing to the success of our finance and social science departments. This internship program aims to provide valuable insights into the water utility sector while nurturing the talents of future professionals.

Responsibilities

Finance Internship:

- Assist in financial data analysis and reporting.
- Support the finance team in budgeting and forecasting activities.
- Participate in financial audits and compliance assessments.
- Collaborate with cross-functional teams on financial projects.
- Gain exposure to financial systems and software.

Social Science Internship:

- Conduct research on social issues related to water accessibility and usage.
- Assist in community engagement initiatives to promote water conservation.
- Contribute to the development of social impact assessments.
- Collaborate with stakeholders to address social challenges in water management.
- Participate in the design and implementation of community outreach programs.

Qualifications

- Currently pursuing or recently completed a degree in finance, social science, or a related field.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a team environment.
- Proficient in Microsoft Office Suite.

Job Benefits

- Exposure to real-world challenges in the water utility sector.
- Mentorship and guidance from experienced professionals.
- Networking opportunities within the industry.
- Potential for career advancement based on performance.
