Necsa: Learnerships 2024 / 2025 Apply Here

Description

We are currently seeking enthusiastic and driven individuals to join our Learnership Program at Necsa Group. This program offers an exciting opportunity for individuals who are passionate about pursuing a career in the dynamic field of nuclear science and technology. As a Learnership Program Participant, you will undergo comprehensive training, gaining hands-on experience and valuable skills in various aspects of the nuclear industry.

Responsibilities

- Participate in structured learning modules tailored to provide a solid foundation in nuclear science and technology.
- Engage in practical training sessions under the guidance of experienced professionals across different departments within Necsa Group.
- Demonstrate a commitment to learning and applying theoretical knowledge to real-world scenarios.
- Adhere to safety protocols and procedures while working within nuclear facilities.
- Collaborate with peers and mentors to enhance technical skills and develop a deep understanding of nuclear processes.
- Complete all assigned tasks, assessments, and projects in a timely and efficient manner.

Qualifications

- South African citizenship.
- Minimum educational qualification: Matric/Grade 12 with Mathematics and Physical Science as subjects (N3/N4/N5/N6 certificates will be advantageous).
- Passion for pursuing a career in nuclear science, technology, engineering, or related fields.
- Strong interpersonal and communication skills.
- Ability to work effectively in a team environment.
- Demonstrated commitment to safety protocols and adherence to regulations.

Job Benefits

- Comprehensive training in a cutting-edge field of technology.
- Exposure to various departments and operations within Necsa Group.
- Mentorship and guidance from industry experts.
- Potential career advancement opportunities based on performance and aptitude.
- Monthly stipend for the duration of the learnership program.

Contacts

Interested candidates who meet the requirements are encouraged to submit their updated CV/resume along with a cover letter highlighting their motivation for joining
