- Provide technical support to end-users, including software installation, system configuration, and troubleshooting hardware components.
- Collaborate with team members to execute IT projects and initiatives.
- Learn and apply best practices in IT service delivery and customer support.
- Participate in training sessions, workshops, and on-the-job learning experiences to enhance technical skills and knowledge.
- Contribute to documentation and reporting of technical procedures and solutions.

Qualifications

- Minimum requirement: Matric certificate (Grade 12) or equivalent.
- Strong passion for technology and willingness to learn.
- Basic understanding of computer systems, hardware, and software.
- Excellent communication and interpersonal skills.
- Ability to work well within a team and follow instructions.
- Eagerness to develop technical skills and pursue a career in IT.

Job Benefits

- Practical hands-on experience in the IT field.
- Mentorship and guidance from experienced professionals.
- Opportunity for growth and advancement within the company.
- Stipend or allowance as per learnership program guidelines.
