Northam Platinum Zondereinde Mine: Rock Breaker Learnerships 2024 / 2025

Description

Northam Platinum Zondereinde Mine is offering an exciting opportunity for individuals interested in pursuing a career in mining as a Rock Breaker Learner. This learnership program is designed to provide comprehensive training and hands-on experience in rock breaking operations within a mining environment.

Responsibilities

- Participate in theoretical and practical training sessions to develop skills in rock breaking techniques and mining operations.
- Learn to operate and maintain rock-breaking equipment under the guidance of experienced mentors.
- Adhere to safety protocols and procedures at all times to ensure a safe working environment.
- Assist in conducting routine inspections, identifying equipment issues, and reporting maintenance requirements.
- Collaborate with team members to ensure efficient and effective rock-breaking activities.

Qualifications

- Minimum requirement: Grade 12 / Matric certificate or equivalent.
- Must be a South African citizen.
- Strong interest in pursuing a career in the mining industry, specifically in rock breaking operations.
- Good physical fitness and ability to work in physically demanding and challenging environments.
- Excellent communication skills and the ability to work well within a team.
- Willingness to learn and follow instructions.

Job Benefits

- **Training and Development:** Comprehensive training programs designed to enhance skills and knowledge in the mining industry, specifically in rock-breaking techniques and equipment operation.
- **Mentorship:** Guidance and mentorship from experienced professionals to assist learners in their career development and learning process.
- **Safety:** Emphasis on safety protocols and procedures, ensuring a secure work environment and the well-being of employees.
- **Competitive Stipend or Salary:** Compensation for learners participating in the program.
- **Career Growth:** Potential opportunities for career advancement or permanent employment within the company based on performance and successful completion of the learnership.
- **Hands-On Experience:** Practical, on-the-job experience using rock-breaking equipment and participating in mining operations.
- **Networking Opportunities:** Exposure to industry professionals and
