PathCare: Data Capture Learnerships 2024 / 2025 New Jobs Application

Description

PathCare is a leading provider of diagnostic pathology services in South Africa, dedicated to delivering quality healthcare. Our commitment to excellence is reflected in our focus on accurate, timely results and exceptional patient care.

PathCare is offering Data Capture Learnerships for motivated and enthusiastic individuals who are eager to start a career in the healthcare industry. This learnership program is designed to provide comprehensive training and practical experience in data capture, essential for maintaining accurate patient records and ensuring efficient laboratory operations.

Responsibilities

- Accurately capture patient information into the laboratory information system.
- Verify and update patient records as needed.
- Assist in maintaining the integrity and confidentiality of patient data.
- Support the laboratory staff with administrative tasks as required.
- Adhere to PathCare's standard operating procedures and quality control measures.

Qualifications

- Minimum Grade 12 (Matric) or equivalent qualification.
- Basic computer literacy with proficiency in MS Office.
- Excellent attention to detail and accuracy.
- Good communication skills and ability to work in a team.
- Commitment to completing the 12-month learnership program.
- Previous experience in data capture or a healthcare environment is an advantage but not essential.
- Strong organizational skills.
- Ability to work under pressure and meet deadlines.
- Problem-solving skills.
- Customer service orientation.
- Adaptability and willingness to learn.

Job Benefits

- A monthly stipend for the duration of the learnership.
- Practical on-the-job training and mentorship.
- Opportunities for career growth and development within PathCare.
- Certification upon successful completion of the program.
